

CLUTTER-FREE

By seamlessly integrating the task lighting with the flat panel display mounting, the LCD Tasklight provides a clutter-free workspace for the user.

STATE-OF-THE-ART

Utilising the latest technologies in LED lighting, utmost value in energy saving and product lifespan is achieved without sacrificing quality.

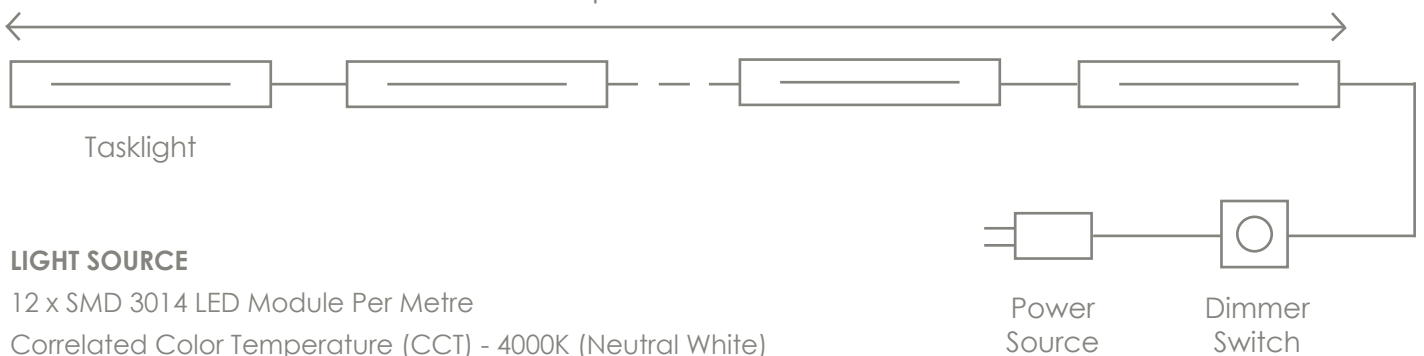

FOCUS WITH FLEXIBILITY

The LCD Tasklight system provides a glare-free focused illumination on the work-surface whilst maintaining flexibility for adjustments to meet user-specific requirements.

TECHNICAL DESCRIPTIONS

Link up to 10 Sections

LIGHT SOURCE

12 x SMD 3014 LED Module Per Metre
Correlated Color Temperature (CCT) - 4000K (Neutral White)
Color Rendering Index (CRI): 80

ELECTRICAL

120- 240v DC Input
12W Output

CONTROLS

Centralised Dimmer
Sectorised Control

MOUNTING

VESA 75
VESA 100
VESA 200

MATERIAL & COLOR

VESA Mounting - Steel
Gooseneck- Steel
Hood - Aluminum
Color - Matt Black
