

MATRIX VIDEOWALL CONSOLE

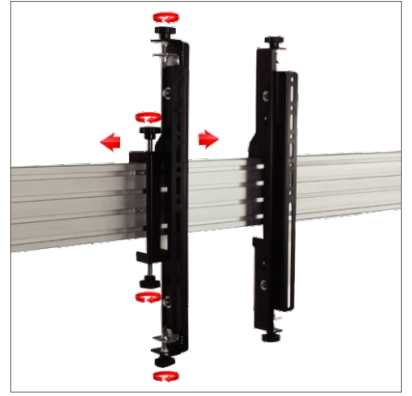

INNOVATIVE DESIGN

The MATRIX Videowall Console is a stand-alone modular wall mounting system for video wall installations of any size and allow access to the rear of the screens for servicing and maintenance. The MATRIX Videowall features a contemporary, lightweight yet incredibly strong design with a high-end aesthetic quality and 8-point micro-adjustment for seamless screen alignment.

FEATURES

- Universal design suitable for all sized screens up to 50kg (per screen)
- Can be used in an endless variety of configurations
- High-end aesthetic quality
- Tool-less micro-adjustments at 8 points for seamless display alignment
- Suitable for landscape or portrait mounting
- Can be used to create eye-catching, mosaic style installs
- Multiple rail lengths available (rails can also be joined to create larger installs)
- Safety screws help prevent unauthorised removal of screens

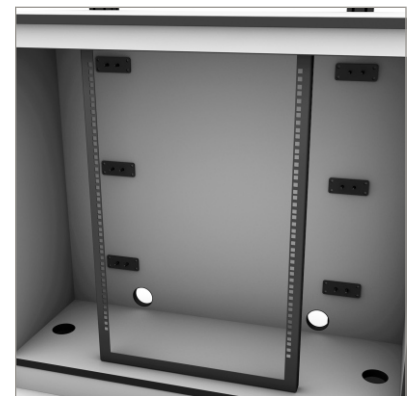

Tool-less micro-adjustment at 8 points for seamless display alignment
